NOTES:

Shown is the 54" aluminum continuous L bracket (6063-T5) as provided by Scranton Products in a clear anodized finish.

L brackets are used where side panels are visible from the stall exterior such as the stall at the open end of an in-corner configuration. This bracket has pre-drilled holes for fastening on one side only.

NOTE: Job-Specific specifications for all orders are located on shop drawing layouts (Drawings are not to scale)
