

SKY ISLAND CAPITAL ACQUIRES SCRANTON PRODUCTS INC.

Dallas, Texas – June 24, 2025 – Sky Island Capital (“Sky Island”), a Dallas-based lower middle market private equity firm, is pleased to announce that it has made a majority investment in Scranton Products Inc. (“Scranton Products” or the “Company”) from The AZEK Company (“AZEK”). Founded in 1978 and headquartered in Scranton, Pennsylvania, Scranton Products is a leading manufacturer of high-density polyethylene (HDPE) privacy partitions and lockers. Scranton offers a wide range of colors and finishes, with five distinct product lines and 200+ product customizations. The Company serves several end markets, including education, office, parks & recreation, government, healthcare, hospitality, transportation, and retail.

“Scranton Products and its brands are synonymous with plastic partitions and lockers, and have helped define the category through decades of innovation and thought leadership,” said Michael Marsh, Principal at Sky Island Capital. “We believe the leadership team has an exceptional track record growing the Company’s install base and product offering, all while continuing to prioritize customer needs. We are excited to partner with the team to continue this legacy as the Company takes on this new chapter.”

Scranton Products is widely recognized for its quality, durability, recyclability, and customizability. The Company’s products are often specified by architects and designers, supported by decades-long brand equity and a proactive sales network strategy. In addition to its customer experience teams, the Company has a diversified network of dealers and representatives, providing extensive market coverage. Scranton Products serves customers of all sizes across the U.S. and Canada.

Key members of the leadership team, including Rob Donlon, Jennifer Emiliani, and Mike Janssen, will continue with the Company in their current roles. “We are thrilled to partner with the Sky Island team,” said Rob Donlon, Chief Executive Officer of Scranton Products. “Their manufacturing background and long-term investment philosophy align with our culture and strategic vision. We’re excited to be a platform investment and look forward to pursuing our shared strategic goals.”

Scranton Products is Sky Island’s third platform investment in its second fund.

About Sky Island Capital

Sky Island Capital is a lower middle market private equity firm headquartered in Dallas, Texas that focuses exclusively on partnering with privately held manufacturing companies in North America. Sky Island was born out of the desire to work alongside entrepreneurs and family business owners to serve as a resource and strategic partner. Sky Island focuses on situations where it can draw upon its deep operational and management experience to support senior management in driving significant value creation through operational and strategic partnership.

About Scranton Products

Founded in 1978, Scranton Products Inc. (www.scrantonproducts.com) is a leading manufacturer of highly-engineered high-density polyethylene (HDPE) privacy partitions and lockers. The Company operates out of a single plant in Scranton, Pennsylvania. Through continuous investment and an emphasis on process improvement, the Company has developed state-of-the-art capabilities and the capacity to provide privacy and storage solutions for customers both large and small, offering a wide range of colors and finishes, with five distinct product lines and 200+ product customizations. Scranton Products bathroom partitions and lockers are constructed from premium, American-made solid plastic offering durability, longevity, and sustainability.
